**SANT LONGOWAL INSTITUTE OF ENGINEERING & TECHNOLOGY**

(Established by Govt. of India)

Deemed-to-be-University

संदर्भ सं/Ref. No. SLIET/AS/157-161

दिनांक/Date 03-05-2013

## TO WHOMSOEVER IT MAY CONCERN

The Sant Longowal Institute of Engineering & Technology (Deemed University), Longowal (SLIET) has been established by the Government of India to provide technical education in emerging areas of Engineering & Technology. It caters to the technical manpower requirements at various levels by adopting concept of modular system in imparting technical education with emphasis on practical training in industry. The Institute is fully funded by Ministry of Human Resource & Development, Government of India. The educational programmes of this Institute are non-conventional, innovative, practical oriented and contain all aspects of new education policy (1986) of Government of India. The Institute offers programmes at Certificate, Diploma, Degree, Post Graduate (M. Tech., MBA and M. Sc.) levels in various branches of Engineering, Technology & Science and Ph. D. Programmes in Sciences, Management, Technology and Engineering.

The Institute attained the status of Deemed University on 11st April, 2007 (vide Notification No. F.9-42/2001-U.3) by the University Grants Commission (UGC) under Section 3 of UGC.

All the courses of the Institute are accredited by the National Assessment and Accreditation Council (NAAC), Bangalore and also all the UG courses accredited/ re-accredited by National Board of Accreditation (NBA), New Delhi.

The Department of Mechanical Engineering of the Institute offers the following B. E. Programmes as per the mandate of Government of India to impart technical education with emphasis on specific needs of industry :-

1. B.E. in Mechanical Engineering (Manufacturing Engineering)
2. B.E. in Mechanical Engineering (Welding Technology)

These B. E. Programmes are duly approved by the All India Council for Technical Education, New Delhi vide F. No. North-West/1-782964132/2012/EOA dated 10<sup>th</sup> May, 2012. The course curriculum of above B. E. programmes include specialized subjects of Manufacturing Engineering/Welding Technology besides covering all core subjects of Mechanical Engineering.
