

SLIET WALL MAGAZINE  
NOTICE

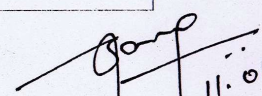

Sant Longowal Institute Engineering and Technology, Longowal is going to start SLIET WALL MAGAZINE in an effort to reflect the technical Skills, interpersonal skills, and communication skills of our students. Through this *WALL MAGAZINE* we get an opportunity to have a glimpse of the hidden talent possessed by our students. **The selected articles of the wall magazine will be published in the annual magazine (SRIJAN) of the Institute.** In order to streamline the publishing of this great source of knowledge and information, applications are invited from SLIET students for the coordinators and co-coordinators of the SLIET WALL MAGAZINE for different academic blocks as mentioned below

1. Coordinators and Co-coordinators for Electronics and Instrumentation Engg. (EIE) Block
2. Coordinators and Co-coordinators for Mechanical Engineering Block
3. Coordinators and Co-coordinators for Food & Chemical engg. Block
4. Coordinators and Co-coordinators for Science Block
5. Coordinators and Co-coordinators for Computer Engg. Block

The interested students can apply for the various posts by giving the following information and e-mail it to [slietwallmagazine@gmail.com](mailto:slietwallmagazine@gmail.com) by **24<sup>th</sup> January 2018 (Wednesday)**.
