Item 32.11.2	<b>TO APPROVE NORMALIATION OF MARKS FOR APPLICANTS SEEKING ADMISSION TO ICD PROGRAMS AT SLIET, LONGOWAL</b>				
	<p>A meeting of the Core Committee of SET-2021, was held on 16.08.2021, regarding normalization of marks for applicants seeking admission for ICD students programs. In the said meeting, the Core Committee has conveyed that in view of COVID-19 situation, various Boards have declared their results based on internal assessment without any merit list. In the light of such circumstances, the SET office has opined to normalize the marks for admission to ICD programs based on the results declared by the CBSE Board. The results of State or Central Boards, where the marks of their toppers have already been declared as 100% or more than CBSE topper of 2021, will not be normalized. Further, the SET office has proposed the following formula for admission to ICD programs :-</p> <table border="1" data-bbox="451 592 1271 665"> <tr> <td>% marks obtained</td> <td>% marks of topper of respective board</td> </tr> <tr> <td>X</td> <td>Y</td> </tr> </table> <p>Formula <math>\frac{X}{Y} \times</math> % marks of C. B. S. E. topper of 2021</p> <p>The matter is placed before the Senate, for consideration and approval, please.</p>	% marks obtained	% marks of topper of respective board	X	Y
% marks obtained	% marks of topper of respective board				
X	Y				
	<p><b><u>Decision</u> : Proposed normalization formula approved for all the candidates.</b></p> <p>Further, the Senate resolved that if there is any ambiguity in preparation of merit list, the Standing Committee of Senate is authorized to take a final decision.</p>
