**OFFICE ORDER**

It is for the information of all concerned students of UG-2020 batches that they have to select the open electives subjects during the registration of even semester of Academic Session 2022-23 to be commenced from 26<sup>th</sup> December, 2022.

During the selection of open elective subjects of 6<sup>th</sup> semester (UG-2020 Batch), students are required to select open electives from OE\*\*- 621\* and OE\*\*- 622\*.

In order to smooth the process of registration in open elective subjects, it has been decided that the registration of open elective subjects shall be on the "**FIRST COME, FIRST SERVE**" basis. The limit of maximum number of students in an open elective has been fixed to **120** in ERP. The student will get the open elective subjects of his/her choice, if he/she is in first 120 students at the time of registration, otherwise he/she will have to select the other available open elective subject.

**Note: All the concerned students are advised to exercise the option of open elective subjects very carefully and with the help of class counselor (if required). No request for the change of open elective subjects shall be entertained**
