Summary:

A **'One week workshop on MATLAB'** was inaugurated on 4th April 2022, organized by the **Department of Mathematics, Sant Longowal Institute of Engineering and Technology, Longowal**. It was a five-day workshop program that runs through April 8, 2022. As chief guest, Dr. Shailendra Jain, Patron of the event and Director SLIET, Longowal, presided over the event's opening ceremony. The event was attended by approximately 55 participants including UG, PG, and research scholars and faculty members. Prof. Jain has emphasized the need for Mathematics AND MATLAB workshops in technical institutions so that young students can learn from them.

The Workshop's goal was to provide participants in technical institutions with a platform to educate students about vast knowledge of MATLAB. The Coordinator, Mr. Yogesh Kapil, greeted each participant and provided an overview of the program. Prof. V.K. Kukreja (coordinator of the event and Head of the Department) discussed the program's significance in greater detail. Mr. Adarsh Chaunal (Mathworks), and Dr. Praful Pai (Mathworks) delivered the keynote address. The organizers expressed gratitude to the authorities of SLIET and Mathworks organization for providing the support to complete the workshop.

A valedictory function was held on April 8, 2022. The attendees have been addressed by Prof. V.K. Kukreja, who also gives the report of the workshop program. As the event's chief guest, Prof. J.S. Dhillon, Dean(Academics), stressed the importance of such programs in the current scenario and said that MATLAB is an indispensable asset for the researchers as well as UG and PG students. Dr. R.K.
